www.phytoarznei.ch

Goal of the project

- Synopsis of phytotherapeutic information (books and papers)
- Free accessible database
- Versatile search functions
- Various lists

Target species

- Animals and humans

Content of the database

- Plant names in English, Latin, German, French and Italian
- Botanical information
- Pharmacognosy and pharmacology of the compounds
- Effects of the components

- Therapeutic use (veterinary and human medicine)
- Special preparations that are available for animals
- Adverse effects
- Toxicity
- Contraindications
- Regulatory compliance

Viscum album (Mistel)

Look of the site

The screenshot shows the website interface for 'Quercus cortex Ph Eur - Arzneidroge'. The header includes the 'clini CliniPharm CliniTox' logo and a green navigation bar with 'Arzneipflanzen Phytotherapeutika'. The main content area is divided into several sections:

- Verwendete Pflanzen (Botanik)**: Lists *Quercus robur*, *Quercus petrae*, and *Quercus pubescens*.
- Verwendete Pflanzenteile**: Section for botanical parts.
- Definition**: Describes the dried bark of young branches of *Quercus robur*, *Quercus petrae*, and *Quercus pubescens*, noting it is harvested in spring and contains tannins.
- Monographien**: Lists references like PhEur 01/2008:1887 corr 6.0, Escop, WHO, and EMA monographs.
- Pharmakognosie**: Section for pharmacognosy.
- Organoleptische Angaben**: Section for organoleptic characteristics.
- Aussehen**: Describes the bark as 3 mm thick, greyish-brown outside, reddish-brown inside with lenticels, and splintered and fibrous at the break.
- Geruch**: Describes the smell as weak, like lichens.

On the left side of the screenshot, there is a vertical navigation menu with links like 'Suchen/Index', 'Terazneimittel', 'Produkte & Futur', 'Wirkstoffdaten', 'Pharmakogenetik', 'Verfälgence', 'Rückstandsbeurteilung', 'Gesetzliche Grundlagen', 'Toxikologie/Giftpflanzen', 'CliniPharm/CliniTox', 'Links extern', and 'Homepage/Info'. At the bottom left, there is a logo for 'vetsuisse-fakultät' and 'ACCREDITED BY EAEVE/VE'.
